## TASTING NOTES

This Champagne that is 100% Chardonnay has a nice and mellow effervescence of a fine pale yellow colour with green hues.

On the nose it discreetly hints at white fruit, with a most enjoyable finish. The first impression on the palate is mineral, then broad and fresh with a fine and mellow flavour. It is a well-balanced and elegant wine. It is ideal for an aperitif between friends around a swimming pool.

During a meal, it will go best with an entrée of sea-food-oysters, lobster, crabs-but also with a main dish of fish in butter sauce.

Chardonnay : 100 %
