BRUT

## TASTING NOTES

Its robe is sparkling, and the nose first gives a vibrant impression of citrus fruit - orange and grapefruit.

Then an aroma of hazelnuts comes out as it is aired, together with subtle roasted undertones.

On the palate, a fine sensation of freshness comes out immediately. Together with a taste of pastries giving it a certain smoothness, this cuvée finds a nice balance thanks to the reserve wines providing it with a well-controlled maturity. The finish, coming with lemon flavours, is of a refreshing length.
