

# CHAMPAGNE GASMAR

*précieuse*

BRUT

## TASTING NOTES

The stream of bubbles in this Champagne is delicate, with a fine golden colour. On the nose it shows notes of red and yellow fruit.

Then it evolves with aromas of brioches.

This Champagne feels well-structured and displays a wide spectrum on the palate ; there is a definite

balance between power and finesse.

It is a wine to go with meals based on white meat, peppers and citrus fruit, all of which will have been fried a la plancha on a salt and pepper base.
