

CHAMPAGNE GASMAR

rosée

BRUT

TASTING NOTES

This Champagne has a nice pink colour with a most delicate stream of bubbles. On the nose it displays aromas of red fruit : strawberries and raspberries. Powerful and vinous, it has a fine long finish. It is to be enjoyed during a tête-à-tête aperitif and during a meal based on marinated white meat. It also goes very well with a meal of sushis and sashimis shared with friends. For those who are more sweet-and-sour inclined, they should try it with oriental cuisine, and more particularly with tajine.
